

1<sup>st</sup> Israel response

Right of Reply,

Mr President,

In his vective statement, the Palestinian observer has revealed his true nature. His words are words of hatred. his comments are an <sup>utter</sup> disrespect to Holocaust survivors and his weapon is a <sup>cheap</sup> demagogy. when he describes brutal terrorists as innocents victims when the words lose their meaning, then George Orwell 1974 doomsday scenario, comes to mind where:

" the past was erased  
the eraser was forgotten  
the lie became truth ..
