settlement activity, including so-called “natural growth”, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

Aware that Israeli settlement activities involve, inter alia, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, the exploitation of natural resources and other actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

Bearing in mind the extremely detrimental impact of Israeli settlement policies, decisions and activities on the efforts to resume and advance the peace process, on the credibility of the peace process, and on the prospects for the achievement of peace in the Middle East,

Expressing grave concern about the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the Quartet road map, and in defiance of the calls by the international community to cease all settlement activities,

Expressing grave concern in particular about Israel’s construction and expansion of settlements in and around occupied East Jerusalem, including its so called E-1 plan that aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley,

Expressing grave concern about the continuing unlawful construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular about the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline of socio-economic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations and make the two-State solution physically impossible to implement,

Deeply concerned that the wall’s route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Deploring settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan and any activities involving the confiscation of land, the disruption of the livelihood of protected persons and the de facto annexation of land,

Recalling the need to end all acts of violence, including acts of terror, provocation, incitement and destruction,

Gravely concerned about the rising incidents of violence, harassment, provocation and incitement by illegal armed Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including historic and religious sites, and agricultural lands,

Noting the Israeli withdrawal from within the Gaza Strip and parts of the northern West Bank and the importance of the dismantlement of the settlements therein as a step towards the implementation of the road map, and stressing, in this regard, the road map obligation upon Israel to freeze settlement activity, including so-called “natural growth”, and to dismantle all settlement outposts erected since March 2001,

Taking note of the relevant reports of the Secretary-General,⁹

Taking note also of the special meeting of the Security Council convened on 26 September 2008,

1. *Reaffirms* that the Israeli settlements in the Palestinian territory, including East Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

2. *Calls upon* Israel to accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan and to abide scrupulously by the provisions of the Convention, in particular article 49;

3. *Also calls upon* Israel, the occupying Power, to comply strictly with its obligations under international law, including international humanitarian law, with respect to the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem;

4. *Reiterates its demand* for the immediate and complete cessation of all Israeli settlement activities in all of the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and calls, in this regard, for the full implementation of all the relevant resolutions of the Security Council, including, inter alia, resolutions 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980 and 1515 (2003) of 19 November 2003;

5. *Demands* that Israel, the occupying Power, comply with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice;⁴

6. *Reiterates its call* for the prevention of all acts of violence and harassment by Israeli settlers, especially against Palestinian civilians and their properties, including historic and religious sites, and agricultural lands, and stresses the need for the implementation of Security Council resolution 904 (1994), in which the Council called upon Israel, the occupying Power, to continue to take and implement measures, including confiscation of arms, aimed at preventing illegal acts of violence by Israeli settlers, and called for measures to be taken to guarantee the safety and protection of the Palestinian civilians in the occupied territory;

7. *Requests* the Secretary-General to report to the General Assembly at its sixty-sixth session on the implementation of the present resolution.

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁸ to the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967,

Reaffirming further the obligation of the States parties to the Fourth Geneva Convention⁸ under articles 146, 147 and 148 with regard to penal sanctions, grave breaches and responsibilities of the High Contracting Parties,

Reaffirming that all States have the right and the duty to take actions in conformity with international law and international humanitarian law to counter deadly acts of violence against their civilian population in order to protect the lives of their citizens,

Stressing the need for full compliance with the Israeli-Palestinian agreements reached within the context of the Middle East peace process, including the Sharm el-Sheikh understandings, and the implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁹

Stressing also the need for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of the Gaza Strip,

Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force and military operations causing death and injury to Palestinian civilians, including children, women and non-violent and peaceful demonstrators; the use of collective punishment; the closure of areas; the confiscation of land; the establishment and expansion of settlements; the construction of a wall in the Occupied Palestinian Territory in departure from the Armistice Line of 1949; the destruction of property and infrastructure; and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned in particular about the critical humanitarian and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic and movement restrictions that in effect amount to a blockade and the military operations between December 2008 and January 2009, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women; widespread destruction and damage to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities; and the internal displacement of civilians, as well as from the firing of rockets into Israel,

Stressing the need for the full implementation by all parties of Security Council resolution 1860 (2009) of 8 January 2009 and General Assembly resolution ES-10/18 of 16 January 2009,

⁸ United Nations, *Treaty Series*, vol. 75, No. 973.

⁹ S/2003/529, annex.

Gravely concerned by reports regarding serious human rights violations and grave breaches of international humanitarian law committed during the military operations in the Gaza Strip between December 2008 and January 2009, including the findings in the summary by the Secretary-General of the report of the Board of Inquiry¹⁰ and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,¹¹ and reiterating the necessity for serious follow-up by all parties of the recommendations addressed to them towards ensuring accountability and justice,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the continued impeding of the reconstruction process by Israel, the occupying Power, on the human rights situation and on the socio-economic and humanitarian conditions of the Palestinian civilian population,

Expressing deep concern also about the Israeli policy of closures and the imposition of severe restrictions, checkpoints, several of which have been transformed into structures akin to permanent border crossings, and a permit regime, all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and about the consequent violation of the human rights of the Palestinian people and the negative impact on their socio-economic situation, which remains that of a humanitarian crisis in the Gaza Strip, while taking note of recent developments with regard to the situation of access there,

Concerned in particular about the continued establishment of Israeli checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory, which are severely impairing the territorial contiguity of the Territory and undermining efforts and aid aimed at rehabilitating and developing the Palestinian economy, adversely affecting other aspects of the socio-economic conditions of the Palestinian people,

Expressing deep concern that thousands of Palestinians, including hundreds of children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including, inter alia, unhygienic conditions, lack of proper medical care, denial of family visits and denial of due process, that impair their well-being, and expressing deep concern also about the ill-treatment and harassment of any Palestinian prisoners and all reports of torture,

Expressing concern about the possible consequences of the enactment by Israel, the occupying Power, of military orders regarding the detention, imprisonment and deportation of Palestinian civilians from the Occupied Palestinian Territory, including East Jerusalem, and recalling, in this regard, the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties implement the agreements reached, and, in this regard, recalling the positive contribution of the Temporary International Presence in Hebron,

¹⁰ See A/63/855-S/2009/250.

¹¹ A/HRC/12/48.

Emphasizing the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

1. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁸ and contrary to the relevant resolutions of the Security Council, are illegal and have no validity;

2. *Demands* that Israel, the occupying Power, cease all practices and actions that violate the human rights of the Palestinian people, including the killing and injury of civilians, the arbitrary detention and imprisonment of civilians and the destruction and confiscation of civilian property, and that it fully respect human rights law and comply with its legal obligations in this regard;

6. *Expresses grave concern* at the firing of rockets against Israeli civilian areas resulting in loss of life and injury;

7. *Reiterates its demand* for the full implementation of Security Council resolution 1860 (2009);

8. *Demands* that Israel, the occupying Power, comply with its legal obligations under international law, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice⁷ and as demanded in General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/13 of 21 October 2003, and that it immediately cease the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, dismantle forthwith the structure situated therein, repeal or render ineffective all legislative and regulatory acts relating thereto, and make reparation for all damage caused by the

construction of the wall, which has gravely impacted the human rights and the socio-economic living conditions of the Palestinian people;

9. *Reiterates* the need for respect for the territorial unity, contiguity and integrity of all of the Occupied Palestinian Territory and for guarantees of the freedom of movement of persons and goods within the Palestinian territory, including movement into and from East Jerusalem, into and from the Gaza Strip, between the West Bank and Gaza Strip, and to and from the outside world;

12. *Emphasizes* the need to preserve and develop the Palestinian institutions and infrastructure for the provision of vital public services to the Palestinian civilian population and the promotion of human rights, including civil, political, economic, social and cultural rights;

13. *Requests* the Secretary-General to report to the General Assembly at its sixty-sixth session on the implementation of the present resolution.

Draft resolution V The occupied Syrian Golan

The General Assembly,

Having considered the report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories,¹

Deeply concerned that the Syrian Golan, occupied since 1967, has been under continued Israeli military occupation,

Recalling Security Council resolution 497 (1981) of 17 December 1981,

Recalling also its previous relevant resolutions, the most recent of which was resolution 64/95 of 10 December 2009,

Having considered the report of the Secretary-General submitted in pursuance of resolution 64/95,²

Recalling its previous relevant resolutions in which, inter alia, it called upon Israel to put an end to its occupation of the Arab territories,

Reaffirming once more the illegality of the decision of 14 December 1981 taken by Israel to impose its laws, jurisdiction and administration on the occupied Syrian Golan, which has resulted in the effective annexation of that territory,

Reaffirming that the acquisition of territory by force is inadmissible under international law, including the Charter of the United Nations,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,³ to the occupied Syrian Golan,

Bearing in mind Security Council resolution 237 (1967) of 14 June 1967,

Welcoming the convening at Madrid of the Peace Conference on the Middle East on the basis of Security Council resolutions 242 (1967) of 22 November 1967 and 338 (1973) of 22 October 1973 aimed at the realization of a just, comprehensive and lasting peace, and expressing grave concern about the stalling of the peace process on all tracks,

1. *Calls upon* Israel, the occupying Power, to comply with the relevant resolutions on the occupied Syrian Golan, in particular Security Council resolution 497 (1981), in which the Council, inter alia, decided that the Israeli decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan was null and void and without international legal effect and demanded that Israel, the occupying Power, rescind forthwith its decision;

2. *Also calls upon* Israel to desist from changing the physical character, demographic composition, institutional structure and legal status of the occupied Syrian Golan and in particular to desist from the establishment of settlements;

¹ See A/65/327.

² A/65/372.

³ United Nations, *Treaty Series*, vol. 75, No. 973.

3. *Determines* that all legislative and administrative measures and actions taken or to be taken by Israel, the occupying Power, that purport to alter the character and legal status of the occupied Syrian Golan are null and void, constitute a flagrant violation of international law and of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,³ and have no legal effect;

4. *Calls upon* Israel to desist from imposing Israeli citizenship and Israeli identity cards on the Syrian citizens in the occupied Syrian Golan, and from its repressive measures against the population of the occupied Syrian Golan;

5. *Deplores* the violations by Israel of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;

6. *Calls once again upon* Member States not to recognize any of the legislative or administrative measures and actions referred to above;

7. *Requests* the Secretary-General to report to the General Assembly at its sixty-sixth session on the implementation of the present resolution.
