New paragraphs

27. Condemns the indiscriminate attacks on medical and humanitarian facilities used exclusively for humanitarian purposes, as well as medical personnel, by the occupying power, in violation of international law.

28. Recalls the provisional measures ordered by the International Court of Justice in which it ordered Israel to take all necessary and effective measures to ensure, without delay, in full co-operation with the United Nations, the unhindered provision at scale by all concerned of urgently needed basic services and humanitarian assistance, including food, water, electricity, fuel, shelter, clothing, hygiene and sanitation requirements, as well as medical supplies and medical care to Palestinians throughout Gaza, including by increasing the capacity and number of land crossing points and maintaining them open for as long as necessary.

29. Recalls the provisional measures ordered by the International Court of Justice where the court recalled that the military operation conducted by Israel after 7 October 2023 has resulted, inter alia, in tens of thousands of deaths and injuries and the destruction of homes, schools, medical facilities and other vital infrastructure, as well as displacement on a massive scale.
