Some examples of terrorism glorification by the PA: 1. A school in the city of Tulkarem — located in the West Bank and under the control of the Palestinian Authority — will be named after Salah Khalaf, who was also known as Abu Iyad. Khalaf was the leader of the terrorist group Black September. Black September carried out terrorist attacks, the most infamous of which was the kidnap and murder of 11 members of the Israeli Olympic team, including athletes, at the 1972 Olympic Games in Munich. Naming a school after Salah Khalaf is essentially a celebration of a man who committed acts of violence against innocent people. Naming schools is within the competence of the Ministry of Education of the Palestinian Authority. PA governor defended this naming.
