Human rights violation/s or abuses alleged to have occurred	<p>A root cause of terrorist attacks and other human rights violations against Israeli Jews is antisemitic propaganda disseminated by various international organizations.</p> <p><u>One of the organizations defending those linked to terror is <u>BADIL - Resource Center for Palestinian Residency and Refugee Rights.</u></u></p> <ul style="list-style-type: none"> • On May 5, 2010, the Palestinian NGO BADIL awarded a prize to a blatantly antisemitic cartoon, featuring a grotesque caricature of a Jewish man standing over a dead Arab child and holding a pitchfork dripping with blood. • The image was featured on its website until NGO Monitor contacted DanChurchAid, a BADIL partner, and its officials intervened. • BADIL is a leader in anti-Israeli demonization, including the global BDS (boycotts, divestment, and sanctions) campaign, lawfare attempts targeting Israeli officials in international and European courts, and tendentious written and oral statements to the UN Human Rights Council. These activities are inconsistent with peace efforts.

	<ul style="list-style-type: none"> In correspondence with NGO Monitor a representative from DanChurchAid agreed that the cartoon was antisemitic, attributing “this unfortunate incident” to “a misjudgment or error on behalf of Badil management.” <p>By disseminating antisemitic propaganda, BADIL is promoting racism, human rights violations and violence against Israeli civilians.</p> <p>BADIL managers must be held accountable for their crimes.</p>
