Committee on Foreign Affairs

## A BILL

To prohibit Senegal from receiving certain forms of development assistance for a two-year period and make available such assistance to Rwanda and Uganda, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Aid to Allies Act”.

5       **SEC. 2. FINDINGS.**

6       Congress finds the following:

7               (1) The United States established diplomatic  
8       relations with Senegal in 1960, when it gained inde-

1       pendence from France and after the disbanding of  
2       the Mali Federation.

3               (2) As of 2014, the United States had provided  
4       Senegal with a cumulative total of \$2,500,000,000  
5       in foreign assistance.

6               (3) In 2009, Senegal signed a compact with the  
7       Millennium Challenge Corporation that spanned  
8       from 2010 to 2015 and provided \$540,000,000 to  
9       support large-scale transportation and water infra-  
10      structure projects.

11              (4) In December 2015, the Millennium Chal-  
12      lenge Corporation selected Senegal as eligible to de-  
13      velop a second compact.

14              (5) The Administration's fiscal year 2017 budg-  
15      et request for bilateral assistance to Senegal totaled  
16      \$103,100,000, including—

17                      (A) \$56,000,000 for global health pro-  
18                      grams;

19                      (B) \$44,800,000 for development assist-  
20                      ance;

21                      (C) \$1,000,000 for international military  
22                      education and training;

23                      (D) \$1,000,000 for nonproliferation,  
24                      antiterrorism, demining and related programs;  
25                      and

1 (E) \$300,000 for foreign military financ-  
2 ing.

3 (6) On December 23, 2016, Senegal was one of  
4 four co-sponsors of United Nations Security Council  
5 Resolution 2334 (2016), which described the Israeli  
6 neighborhoods in the West Bank as illegally occu-  
7 pied. The resolution was adopted by a vote of 14–  
8 0 with the United States abstaining.

9 **SEC. 3. SENSE OF CONGRESS.**

10 It is the sense of Congress that—

11 (1) in periods of constrained resources and  
12 when the national debt is nearly  
13 \$20,000,000,000,000, all budget items deserve scru-  
14 tiny, especially foreign aid dollars;

15 (2) rather than continuing to assist foreign gov-  
16 ernments that undermine our foreign allies, those  
17 dollars would be better spent in countries that sup-  
18 port and defend the shared interests of the Amer-  
19 ican people; and

20 (3) the Board of the Millennium Challenge Cor-  
21 poration should not enter into any compact with  
22 Senegal under section 609 of the Millennium Chal-  
23 lenge Act of 2003 (22 U.S.C. 7708) until the Chief  
24 Executive Officer of the Millennium Challenge Cor-  
25 poration submits to Congress a report regarding the

1 eligibility of Senegal to meet the criteria specified in  
2 section 607(b) of such Act (22 U.S.C. 7706(b)) that  
3 considers the impact on such eligibility of—

4 (A) Senegal’s co-sponsorship of United Na-  
5 tions Security Council Resolution 2334 (2016);  
6 and

7 (B) other governance issues with respect to  
8 Senegal.

9 **SEC. 4. LIMITATION ON EXPENDITURES THROUGH DEVEL-**  
10 **OPMENT ASSISTANCE PROGRAMS.**

11 (a) IN GENERAL.—For the two-year period beginning  
12 on the date of the enactment of this Act, no funds may  
13 be obligated or expended for assistance to Senegal author-

15 (22 U.S.C. 2151 et seq.) except for assistance through a

21 (22 U.S.C. 2151 et seq.), in accordance with the proce-
